EXHIBIT A

Dear Madam Judge,

Although I am not going to have the pleasure of meeting you in person, I would like to extend you a cordial salute from a distance. I am the father of Jose Osvaldo Melendez Rojas. Mi nombre es Francisco Melendez Perez.

I am writing to you to inform you of the person that I know to be my son. He is a calm person, agreeable, social, responsible, a hard worker and good father to his 13 year old daughter, who he loves and adores.

As a child, Jose was a devoted student and loved the outdoors. He worked as a sheepherder in farms in other towns, people who did this were known as shepherds, as they would rent their services of caring for farm animals. He was forced to leave school at the age of 10 years old in order to help our family financially and worked at a textile factory. Since he was a young boy and into his adolescence he was involved in sports and played baseball and soccer.

He left for the United States in order to have a better quality of life, working in a car wash and selling vegetables and on his days off, he would work in an African Market called Eddie's Place.

During his time in his town in Mexico, he worked small jobs in the local schools and government buildings, where he worked as a gardener. He was also on the parent council of his daughter's primary school, Francisco I. Madero, where he would coordinate events for the school. He arranged for the school to receive federal resources to improve the school, such as the construction of a computer room, a cafeteria, and other structures to make the school better for the children.

He would also participate in a local festival honoring the Saint of Guadalupe. Jose loved the working on farms and also worked in the planting and harvesting of corn during season.

I thank you for taking the time to read this letter.

My name is Graciela Melendez Velasquez and I am 26 years old and work as a nurse. I am the niece of Jose Osvaldo Melendez Rojas, he is a responsible person, happy and not aggressive, he is a hard worker and a best person. He has always been there for me like another father. He gives me advice and makes me feel secure, while I was still a student, I had a child from a failed marriage, in which I shamed my family, especially my father. With his advice and guidance, I was able to finish my studies and begin my career and improved my life for myself and my daughter, he also helped solve my problems with my father.

I am a witness to what a great father he is, a good man and human being, is not an aggressive person, and loves music, dance and helping others with what he can. He also loves sports and played baseball in the municipal pantheon of the town of Tenancingo and his team also played outside of the municipality, such as in the town of Puebla and Veracruz.

Jose also played handball, soccer, practiced taekwondo and dedicated himself to the cultivation of corn, which required a lot of arm strength to carry the large bundles of corn. He was able to continue his studies as an adolescence as his family lacked financial resources and had to go work in a textile factory at a young age. He served as an usher in the festival for Saint Guadalupe which is held yearly in our municipality and assisted in the allocation of funds for the restoration of part of the church Saint Guadalupe.

He also helped improve the education of students at primary school Francisco I. Madero, where he helped raise funds for the improvement of the school and did chores such as paint rooms and collect rubbish at the school. Fue mayordomo de la virgen de Guadalupe en el municipio y ayudo a la recaudación de fondos para la restauración de la parte principal de la iglesia del mismo en la capilla de la virgen de Guadalupe.
